Everyone who signs up online will get a T-shirt, letter of confirmation mailed about 10 days prior to the race, parking map and parking pass for the volunteer area.

Volunteering for Race day starts at 8 AM:

- 8am to 2:30pm at the finish line (we have a break area with lunch, so you'll get some breaks)
- When you arrive you'll join the set up group unpacking and setting out medals. Once those are set out there is a pause while you help any nearby areas finish set up (oranges, bagels, water, etc).
- Once runners start coming you'll be handing out medals, keeping your area cleaned, helping runners through the finish line shoot, and cheering.
- Once the last runners pass you'll help pack the area, pick up the boxes, take down the stands and help nearby areas do the same.
- You'll be done at 2:30.
